Feb 4, 2019 Download files to file: 1. leave all file names as they were, just put them into a folder 2. open my documents/Call of duty 3. open Call of duty black ops project files/mod/ops/cfg 4. open Battle.ini 5. open battle.ini (there will be info on how to change it to english ) 6. edit line that says LANGUAGE= 7. hit "ok" and it will save change That's it! No need for any additional software or anything call of duty black ops english language patch A: On a PC, this is a matter of editing a cfg file (possibly as part of a mod) to change the language. On an Xbox, the cosa files have to be changed, and a mod can be used to do this. For a PC, you would have to go to the following location: C:\Users\[user name]\Documents\Call of Duty Black Ops In the left-hand window, you would go to 'Zone' and select your language. Under 'Software', you would go to Activision, and select 'Call of Duty Black Ops'. Under the 'Black Ops 2 project files' directory, you would go to 'Mod' and select 'Ops'. In the Ops directory, you would go to 'cfg'. In the cfg directory, you would go to 'battle.ini'. In the battle.ini directory, you would go to the line that says LANGUAGE=, and enter the new language (in your case, EN). Hit 'OK' to save the change. Update: From Black Ops 2 on, you can no longer edit the cfg file like this. Activision has replaced it with a more secure method for changing the language. You must use a tool like ZombieMod to change the language. The instructions are below. From the ZombieMod FAQ page: Q: I am stuck at changing the language on the game. What to do? On PC, change the language in Zone, then try again. On Xbox, open the game and change the language in the options. If that doesn't work, try the following: 1.
